Harmonized guidelines for writing HND report

2021 EDITION

General guidelines for the presentation of the HND internship Report

1. **Paper:** Paper should be A4 size, 80 gsm. Except for special drawings that may require an A3 or etc.

2. **Font:** Times New Roman, regular style, size 12 for body of report, and style **bold**, size 12 for sub-titles and titles.

3. **Justification**: The whole document (except main titles which are centralized) must be fully (left + right) justified.

4. **Spacing:** The body of the report should have 1.5 line spacing.

5. **Margin:** 3.5 cm for left margin and 2.5 cm for top, bottom and right margins.

6. **Paragraphs and Sections:** 12 points line before and after every section and subsection. Paragraphs.

   Paragraphs must be justified.

7. **Headings and Subheadings**: All headings and their subheadings should be properly formatted.

8. **Language, Punctuations, Spelling and Grammar Check:** Only Standard Formal level of English should be used. Use correct punctuation marks. Spelling and grammar should be accurate.

9. **Page Numbering:** Every page should be numbered. The page numbers should start with 1 from the first page of your chapter 1. All pages before the first chapter should be given Roman numbers (i, ii, iii, etc). The numbers should be placed at bottom right of every page.

10. **Page Limit:** the minimum number of pages of the report is 30 pages excluding title page, declaration, acknowledgements, content page(s), tables, figures, references, appendices and should not be more than 60 pages.

11. ALL chapters start in a new page.

Note: At the end of the defense, the corrected softcopy of all reports of each department should be submitted to the Dean's office in a CD with a signed correction of report from the supervisor and examiner.

CHAPTER ONE

GENERAL INTRODUCTION

(General presentation of the company/organization/ enterprise)

Here you should choose the right one only (company or organization or enterprise)

I.1 Brief description of the organization

I.1.1 Introduction

I.1.2 Brief history

I.1.3 Policy of the organization

I.1.4 Products, Competitors, markets

I.1.5 Organizational chart of the organization

- Comments on the organizational chart

I.1.6 Main offices and Number of employees

In this section, students are expected to collect information on the organization from various sources including interaction with the personnel (managers, directors, internship supervisor, colleagues etc.) and company website, documents, brochures etc. Ensure you mention the sources of any information in APA format.

CHAPTER TWO

EVOLUTION OF ACTIVITIES AND ORGANIZATIONAL ANALYSIS.

1.1 EVOLUTION OF ACTIVITIES

1.1.1 A brief introduction of the branch/area office of the organization where you did your internship.

1.1.2 Duration of Internship programme.

- Starting and ending dates of your internship.
- Starting and closing times

1.1.3 Name of the department(s) in which you got training and the duration of your training in the department or each department.

1.1.4 Detailed description of the operations/activities performed by the department(s) you worked in.

1.1.5 Detailed description of the task(s) assigned to you OR detailed description of the project assigned to you.

1.2 ORGANIZATIONAL ANALYSIS

This is the core of the internship report as it would bring into sharp focus the analytical and observational skills of the student. It is in this section that you relate the theoretical concepts with

your practical experience during your internship in the organization. You should use the SWOT analysis by clearly describing the strengths, weaknesses, opportunities and threats of the Organizational/Departmental/Branch where you did the internship. The section must encompass analytical scrutiny of the organization's various functional aspects and should discuss;

1.2.1 Internal potency (Strength) of the Organization.

The factors relating to the vision, strategy, leadership, product, technological knowhow, finance, human resources, business linkages etc.), which will help to meet the goals/objectives/targets and fight of threats.

1.2.2 Internal deficiencies (Weaknesses) hindering the organization.

The circumstances related to the deficiencies (weaknesses) hindering the organization's efforts in achieving their targets.

1.2.3 External circumstances/trends/opportunities that favour the organization in achieving their targets.

1.2.4 Any external threats/challenges that will decrease the organization's effectiveness and productivity.

1.3 Identification of main problems and solutions.

1.4 Conclusion

CHAPTER THREE

……(Problematic of your topic).

- Securing Network Connected Applications with proposed Security Models. Case study: ???/?/??.
- A student management system case of ??/????/?.
- Internship report management system case study ??????///??.

3.1 Introduction to the study.

3.1.1 Background to the study.

3.1.2 Problem statement.

3.1.3 Significance of the study.

3.1.4 Definitions of terms relating to the study.

3.2 Brief literature review to the study.

3.3 Methodology to the study or Design and Simulation.

3.4 Results and Discussion.

CHAPTER FOUR

LEARNING OUTCOMES AND RECOMMENDATION

3.1 Recommendation.

In this section you are required to suggest solutions for all the problems or discrepancies (you have pointed out in the critical/SWOT analysis) found in the organization.

3.2 Learning Outcomes.

This is the section in which you are required to focus your cognitive abilities. Your discussion should focus on;

- What was accomplished through the affiliation? (Through your internship).
- The aspects of your responsibilities that you liked/disliked and why?
- How efficiently did you apply the theoretical knowledge acquired from your courses at school to the practical situations confronted during the internship?
- How was the internship destined to impact your career advancement?
- What are the implications of your internship Programme to the organization/company and to your school?
- Any other comments you would deem appropriate and relevant.

3.3 GENERAL CONCLUSION.

- ❖ REFERENCES/BIBLIOGRAPHY

In this section, provide the references and sources in APA format for the data and information used in your internship report.

- APPENDICES
